Answers to FAQs:

Enlarge of pictures

If you want to enlarge a picture on the homepage, please click with the left mouse button onto the picture or the map. Where a "hand" is shown at mouse over, it can be opened/enlarged by clicking.

Internet access

Free internet access via WLAN is possible at our hotspot, 50m around the reception (e.g.: parking lot, restaurant). At your specialist shop you get a WLAN-card, if you don't have one yet.

Camping stands

The stands are 90-120 square metres of size. The fee applies to all kinds of stands, also for tent stands. One stand can only be hired by one family. An own place for tents doesn't exist, but we have a meadow, where a casual build-up is possible.

Wishes for a stand

will be considered if noted on the application form, like "near sea", "near playground", "near dog beach", "near lake" or just a precise place.

Stands side by side

On your application form you can ask if you want to have stands side by side. Best way might be to send both application forms in one envelope with a few sentences in which you tell us your wishes.

Additional igloo tent

Only one additional igloo tent, or something like this, can be build up for your kids on your stand.

Camping ground orders

You should read the camp ground orders after your arrival as soon as possible. It is displayed at the box at the back of the market.

Dogs on the camp ground and on the beach

The dog orders have to be kept strictly. See Link: > Dog orders <The dog beach is east and west of the camping ground and is free like the rest of the beach.

Opening hours of the gate

Only in these hours it is allowed to drive onto the ground. Gate is opened from 0700am - 0100pm and from 0230pm - 1000pm. Peace at night is essential to be kept from 1000pm on.

Water taps are located straight close to the stands.

Bus bars with an EURO-jack and a longer cable it is possible to get electricity.

Frigates you can bring your frigates into the market, to freeze them there again.

Liquid gas in the market

The regular price is taken (35€). While returning a bottle a lending fee of 5€ will be charged

Rental-/Cooking facilities are not yet on the camping ground.

To barbeque/braai is allowed on the camping stands - open fire is not allowed.

Surfers will not be hindered by surfers.

Seasonal camping stands

Seasonal camping stands will be let from March, 20th to October, 7th. We have partial domestic sewage drains and cold water connection everywhere. In winter time the caravans can partly be parked on its stands, and partly they will be collected side by side. It is also possible to park them on farms in the neighbourhood. We are glad to send you a flyer or a specimen agreement.

Prices for fishing cards

Seasonal 40€, one Week 10€, one day 2€

Lakes and ponds

The Aasee, which belongs to the camping ground, is not appropriate for swimming due to its swampy and sulphurous water. If you want, you can swim in the Aasee. Surfing is only limited possible due to its reet belt. On the Aasee it is possible to use your rubber dinghy or another small boat, which is not allowed on the other lakes around.

Water depth of the Baltic Sea from the bank

It is flat but not shallow from the bank on. Not too flat; you can swim after 10 metres. After 30 metres is a sandbank on which you can stand usually, depending on the modelling by the winter storms. Younger kids and no swimmers should be watched by parents.

Camping for disabled persons

The camping ground is quasi free of barriers. Into the snack bar, the restaurant, the market, the sanitary building and the shower for disabled persons (with toilet) you get without of steps. Same as the dish-wash-rooms in the rear sanitary building. Only the dish-wash-rooms in the front sanitary building, the baby baths and the showers for parents with children have 2 steps to take.
